## Charter Holders **Read Carefully**

The VNEA offers numerous DIVISIONS at the International Championships in Las Vegas so all of your league players have the option of participating and competing at the annual extravaganza.

The VNEA takes very seriously the entrants in each Division by implementing computer audits to detect individuals that are incorrectly entered.

However, due to name changes, incorrect spellings, human error and other factors the system is not always 100% fool proof.

Therefore, the Tournament Committee is hereby notifying all Charter Holders that the VNEA will still strongly monitor all entrants but it is the ultimate responsibility of the Charter Holder to review the Intermediate and Master lists, prior to submitting entries, to be sure all of their players are entered into the proper Divisions.

Charter Holders found to have entered players in improper Divisions will be punished in accordance with the International Championships Policies & Procedures.

Thank you very much for your cooperation in this matter so that we will continue to provide the fairest, most equitable, competitive annual event for our sanctioned league players.

---

We are conducting the **"7th Annual VNEA World Team Championship"** this year during our VNEA Championships.

*This exciting event will match "top players" from every country represented at our tournament. Teams will compete against each other in a 1-Day "Battle Royale"! The winning country will claim the coveted Trophy and be proclaimed **VNEA WORLD CHAMPS** for the entire year!*

*Each team will consist of (5) players from their home country and it will be a single-elimination format.*

*Make your plans to be in **"THE OZONE"** Finals Arena (Monday, May 28th) to support your country in this "fan-friendly" and "fun-filled" event.*

### **Previous World Team Champions:**

*2012 (Portugal); 2013 (Germany);  
2014 (Australia); 2015 (Portugal);  
2016 (Germany); 2017 (Germany)*

### **Cue Specifications:**

**Width of Tip: Not to exceed 15mm.**

**Length of Cue: 40 inches min.**

### **Certified Instructor Recertification Class:**

This class is for those individuals who passed the Certified Instructor Seminar and would like to remain an active Certified Instructor and update their knowledge and skills.

### **Certified Instructor Seminar:**

This seminar was created to educate players on developing their own skills in order to use these teaching techniques to further promote the game of pool in their local area by instructing beginners and lesser skilled players as well as upper level shooters.

### **Certified Referee School:**

This school teaches players the proper way to conduct themselves as a referee at the local, regional and state levels. Many tested and true officiating techniques are shared with the members of this class.

# Vegas Rules, Format, etc.

The governing rules of play are detailed in the 2017-2018 VNEA Rules Booklet and will be strictly adhered to along with the following:

## Team Format

The 25 game round robin format will be used in the Open 8-Ball team events. The 16 game round robin format will be used in the Women's 8-Ball team events. Each player will play each player from the opposing team once. The team with the most points at the end of the match will be declared the winner.

- All team events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.

- **The Redemption Division will be Single Elimination.**

- **The Resurrection Division will be Single Elimination and will consist of 4-Person Open Teams (16 Game Format) and 3-Person Women's Teams (9 Game Format).**

- Master and Intermediate team events will be using the **Triple Elimination** format.

## Tie Breaker

If there is a tie in the total points, the teams will play the last round over as it stands on the scoresheet until a winner is decided. Flip for the first break and alternate thereafter.

## Singles Format

(exception: **Redemption & Resurrection Divisions**)

All Singles events will be played using a Double Elimination format in the qualifying brackets. Finals brackets will be re-drawn with participants starting with no losses and will also be Double Elimination.

## Substitution Rule

A team may substitute players during a match if the following criteria are met:

The opposing team captain must be notified before the start of the round in which the substitution is being made.

A substitute player will not be allowed to play any opposing player more than once.

Once a player has played, he/she must keep that same position unless removed for a round and reinstated in a later round.

## Determining the Break

### Teams...

Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. The home team will complete their line-up first each round. The teams will then break in accordance with the scoresheet.

### Singles...

Flip a coin to determine the first break and alternate thereafter.

## Table Use

Teams will play on two tables at all times, until the 25th game (25 game format) or 16th game (16 game format). It will be the Tournament Director's discretion to play matches on more than 2 tables if time is a factor.

## Official Scoresheet

The Home Scoresheet is the official scoresheet and will be used to settle any disputes. Both captains are responsible for the accuracy of the Home scoresheet after each game.

## Devices Are Not Allowed For Jump Shots

## 8-On the Break

If the 8-Ball is pocketed on the break, the breaker may ask for a re-rack or have the 8-Ball spotted and continue shooting. If the breaker scratches while pocketing the 8-Ball on the break, the opposing player has the option of a re-rack or having the 8-Ball spotted before beginning to shoot.

## Rack Your Own Breaks

(Various Rack Systems will NOT be allowed)

## Call Pocket

In Call Pocket, obvious balls and pockets do not have to be indicated. It is the opponent's right to ask which ball and pocket if he is unsure of the shot. Banks and combinations are not considered obvious and both the object ball and pocket must be called. When calling the shot, it is NEVER necessary to indicate details such as the number of cushions, banks, kisses, caroms, etc. Any balls pocketed on a foul remain pocketed, regardless of whether they belong to the shooter or the opponent. If a shooter continually refuses to inform his opponent, even when asked, the captains or tournament officials should be informed. Continuous failure to verbally call the pocket can be ruled unsportsmanlike conduct.

## Calling the 8-Ball

Calling of the 8-Ball must be by the disc method in the following manner:

### Disc Placement

The disc must be completely within the first two diamonds on either side of the intended pocket. (A Referee will make a ruling if the disc position is protested)

It is not necessary to move or touch the disc if it is already at the intended pocket. If a player shoots at the 8-Ball and commits a legal shot and the 8-Ball is not pocketed, the game continues.

## Team Roster

**The "Official Team Roster" are the players listed on the scoresheet/computer.**

## Illegal Team Player

Any Team determined to have listed a Team Member on the Tournament Scoresheet, for any match that has begun, that is not listed on the "Official Team Roster" will be penalized as follows...

- *The Team will Forfeit any match in progress or any match completed before their next round begins and eliminated from any further Team competition.*
- *The Team will Forfeit any Prize Money.*

## Safeties

A Safety can be played within the definition of a legal shot.

## Start of Match

All matches will start at their posted time if the assigned table is available. If a player/players is absent, the match must still begin and the absent player/players will have until the end of that round to show up. If they are not there by the end of the round, the absent person/persons will lose that game 10-0. This rule is the same for all the rounds.

## Played Wrong Player

In the event that wrong people have played or are playing each other, the following procedure will be followed:

- *If the game is completed, that score will be forwarded to the proper place that they are scheduled to play. That score will not count until it falls into the proper place.*

- *If the game is not completed, the captains will get the proper people to the table and restart the game.*

- *If a game is played between the same opponents for a second time during the match, the score of the second time does not count as long as the scoresheet is filled out properly prior to the round beginning.*

*It is both team captain's responsibility to ensure that the proper players are playing each game before the round starts. Therefore, if one captain listed a player to play the same player a second time, the captains team who listed the wrong player will lose 10-0.*

- *Scoresheets may be filled out round by round.*

## End of Match

A match is considered over when a team can no longer mathematically win.

## Forfeits

**Team:** If no team members are available within 15 minutes after their posted match time, the team will be forfeited. Tournament Committee will decide forfeits.

However, in the event that enough team members, but less than the full team, are available when the match is called, then those present must begin shooting.

**Singles:** All players must be at their assigned table at their assigned match time. If a player is not at their assigned table **5 minutes** after their posted start time, the opponent will call a referee to the table and the missing player will be given **10 minutes** to show up at the table. At the end of **10 minutes**, the player who is present will recall the referee and the match will be forfeited if the missing player is not present. **If the table is not available, you must report to the control desk.**

## Protest Procedure

In the event a person or team wishes to protest a player's or a team's eligibility, the protesting team or person will be required to deposit \$100 with tournament officials. If protesters are correct in their protest, they will be refunded their deposit and the tournament officials will take proper measures in dealing with the situation. If protesters are incorrect in their protest, they will forfeit their deposit. Deposits will go into the general funds of the VNEA.

## Classics & Seniors

Entrants in the 8-Ball Classics or Seniors Singles cannot play in any other 8-Ball singles and entrants in the 9-Ball Classics or Seniors Singles cannot play in any other 9-Ball Singles.

Seniors can play in either Classics or Seniors - **not both**.

Listed Master & Intermediate Classic or Senior players are ineligible for Regular, Classic or Senior events. *However, a Classic Division is available for them in addition to their Singles events.*

## Instruction, Trick Shots, Entertaining Shows

**JERRY BRIESATH** has long been considered the very best Billiards Instructor in the business. His decades of experience make Jerry one of the most sought after teachers in our sport today. Jerry has also recently released a “3 DVD Set” which contains 4.5 hours of priceless pool lessons which he shares with our players each and every year at the Vegas AND Junior World Pool Championships. Jerry has spent countless hours at our events teaching our players everything from the proper stance and stroke to the “diamond system”. He loves to teach and it shows by the smiling faces that surround his table. And his “one-on-one” teaching approach has proven to be his trademark as players get that special attention and hands-on training that pool requires. Jerry has always said, *“Come see me and let me help you improve your game”*.

**TOM “DR. CUE” ROSSMAN** is a World Renown “Artistic Pool” Champion. Tom introduced “Artistic Pool” to the VNEA nearly 30 years ago and has been entertaining and challenging our players ever since. Tom is also a staple at both our Vegas and Junior Championships and brings an incredible amount of excitement and FUN to the game of pool by adding his own “comedic flair” to everything he does! Tom’s sense of humor is legendary and he includes it in whatever he does from teaching to trick shots to challenge matches. Although Tom is known for his amazing trick shot artistry and hilarious shows, he is also one of the most knowledgeable instructors in the business with a pure grasp on the “diamond system” which he beautifully translates to our lucky players. You will never meet a nicer and more genuine man than Tom Rossman.

**DAVE “GINGER WIZARD” PEARSON** burst on to the American scene nearly 20 years when he brought his fast-paced game of “Speed Pool” to the VNEA and its players. A Master of Speed Pool, Dave holds several Guinness World Records for his rapid-paced racks! Dave played professionally in England prior to coming to the states and is truly one of the most remarkably skilled pool players in the world. He also is a huge sponsor of both our Vegas and Junior Championships and actually donates his own brand of cues (GW Cues) to both events making Dave one of the most generous professionals in our sport. When you see Dave at his booth in Las Vegas, be sure to go up and say hello. There are 3 things that you can be sure of... you will be greeted with a smile, you will learn something and you will walk away with a smile on your face!

## Bally's Rear Parking Pavilion

**TEAM OPENING CEREMONIES** is one of the most anticipated parties of the event! On the Monday before Teams begin, the VNEA throws a party to recognize the previous weeks Singles Champions and the upcoming Team competition. 3,000 excited pool players rock the rear parking lot of Bally's Hotel & Casino and celebrate and relax before another big week of play. The evening starts with our traditional **PARADE OF FLAGS** where each country in attendance marches to the stage for the playing of their national anthems. This is followed by the **SINGLES & SCOTCH DOUBLES AWARDS PRESENTATIONS**. Once all of the Charlie's have been handed out for the evening, the annual **HALL OF FAME INDUCTEES** are introduced. Shortly thereafter, the evening's entertainment kicks into gear and the **ICE COLD BEER** and good times begin! The players dance the evening away enjoying the time together with their teammates and making many new friends in the process. What a great night and wonderful tradition for the VNEA and its players!

*VIVA LAS VEGAS!*

## 6 Skill Levels For A Fair Playing Surface For ALL

**1) Sports Division...** Established to prove our commitment in creating competition and prize money for those not able to effectively compete in the Regular Division.

**2) Redemption Division...** Created to fill the void where players drop off the loser's side of the bracket after it is too late to enter the Sports Division and before they make any money in the Regular Division.

**3) Regular Division...** Targeted for the everyday, fun-loving league player who dreams of the opportunity to attend an International Championship to experience this pool frenzy with fellow pool players around the World and find a very fair and competitive playing surface. ***(Intermediate & Master players will not be allowed to participate in the Regular Division)*** *(Exception: One (1) Intermediate FEMALE will be allowed to play on an Open Regular Team)*

**4) Resurrection Division...** A second chance for Master & Intermediate players to take home some cash in this highly competitive division.

**5) Intermediate Division...** Targeted for the average to above average league player who may have some Tournament level experience. Players looking for an awesome week of pool camaraderie with avid players around the World and an excellent opportunity, second to none, to compete against similar talented teams in an effort to earn great prize money, titles and incredible memories.

This awesome field and super payouts filled with spectacular matches right out of the gate eliminates those Regular Division early round scares and losses to less talented teams. ***(With only one Master player allowed on a team, all teams will be equally favored.)***

**6) Masters Division...** Targeted at the accomplished pool players who want to test their skills against the best in the World and to gain valuable experience that is nearly impossible to obtain elsewhere.
